Dear Parent/Guardian

Harding Memorial Integrated Primary School has purchased a cashless system to operate within the school using the online payment system **SchoolMoney**. This means that you will have the facility to make payments for school expenses such as dinner money, milk and trips, online with your debit or credit card.

This payment system benefits both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. We have been using **SchoolMoney** within HMIPS for several years and we believe that it has enabled our school to have a more streamlined, cost-effective and efficient payment system in a secure and safe environment for Parent/Guardians.

You won't need to sign up to this system as this is done automatically through the school and **as long as you have provided us with your up to date mobile number** we will send you a password once your child's data information has been processed by school. This password will give you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

To log into **SchoolMoney** just click on the link you will be sent at beginning of term. There is also a SchoolMoney app which can be downloaded from your mobile app store.

It is very important to let us know if either your mobile number or email address change as this has an effect on using this system.

If for any reason you are struggling to log in please contact the school office and we will be happy to help.

Yours sincerely

S Cumper
